Quickly assess trends in ESG performance over time and compared to peers.

WHY USE ESG <GO>?

EVALUATE ESG RISK

Have all your ESG performance ratios and data in one place. Easily determine whether a company is getting better or worse across resource efficiency, human capital, and corporate governance metrics.

QUICK & EASY PEER ANALYSIS

Current and historical peer analysis. Evaluate a company versus peers across key ESG metrics. Graph company versus peer average over time for each metric.

ESG RATINGS

Access ratings and scores from independent research providers. Gain a quick insight into the outside perspective on a company's ESG performance.

VISUALIZE DATA

Use data visualization to help identify key trends across the data. One click access to time series, bar charts and graphs of all performance data and ratios.
