

The International Society  for Ecological Psychology

Meeting IX

Lake Forest College, Lake Forest, Illinois

Friday, May 23

- 9:30 - 10:00 Coffee
10:00 - 10:15 Opening Remarks
10:15 - 10:45 **Tom Stoffregen** (Wright Patterson AFB)
"What's Up?"
10:45 - 11:00 discussion
11:00 - 11:30 **Gary Riccio** (Wright Patterson AFB)
"The role of the surface of support in perceiving orientation"
11:30 - 11:45 discussion
12:00 - 1:45 lunch
2:00 - 2:30 **Michael G. Wade** (University of Minnesota)
"Vision, posture, and the developmentally disabled"
2:30 - 2:45 discussion
2:45 - 3:15 **Karl Newell** (University of Illinois)
"Acquisition of coordination"
3:15 - 3:30 discussion
3:30 - 3:45 break
3:45 - 4:45 **Michael T. Turvey** (University of Connecticut and Haskins
Laboratories)
"The ecological approach to perceiving and acting"
4:45 - 5:00 discussion
5:15 - 6:30 Poster Session

Saturday, May 24

- 9:30 - 10:00 Coffee and Doughnuts
10:00 - 10:50 **Tom Lombardo** (Illinois Department of Mental Health and
Developmental Disabilities)
"The reciprocity of perceiver and environment"
10:50 - 11:05 discussion
11:05 - 11:55 **Robert E. Shaw** (University of Connecticut)
"Ecological rules for the perceptual control of action"
11:55 - 12:15 discussion
12:30 - 2:00 lunch
2:15 - 2:45 **Claire F. Michaels** (Lake Forest College)
"Affordances and stimulus-response reaction times"
2:45 - 3:00 discussion
3:00 - 3:30 **Klaus Landwehr** (Bielefeld University)
"On how to run experiments on surface slant"
3:30 - 3:45 discussion
3:45 - 4:00 break
4:00 - 4:30 **John Pittenger** (University of Arkansas)
"Perception of pendulum motion"
4:30 - 4:45 discussion
4:45 - 5:15 Business Meeting - **Ed Reed** (Drexel University)
Report on the status of ISEP publications
5:30 - 6:30 Posters
