

ASSISTANT PROFESSOR OF HUMAN MOVEMENT SCIENCE

School of Kinesiology
University of Minnesota

UNIVERSITY
OF MINNESOTA
Driven to Discover®

ABOUT THE JOB

Position Overview

The School of Kinesiology, College of Education and Human Development, UMTC, is seeking an outstanding candidate to fill a tenure-track Assistant Professor position in Human Movement Sciences with a specialization in *Human Motor Control and Learning*, *Motor Development* or *Biomechanics*. The appointment is a full-time, 9-month, tenure-track Assistant Professor position, as contingent upon qualifications and University processes. Salary is competitive and commensurate with experience. The start date is August 31, 2020, which is the beginning of the 2020-21 academic year.

The position expectations include:

- Establishing an active and independent research program in one of the fields in Human Movement Science. Candidates with expertise in relevant sub-disciplines of movement science such as motor development, motor learning, neuro-motor control and/or biomechanics are encouraged to apply.
- Seeking and securing external research funding to support research and other scholarly work. The applicant should have a demonstrated record of research productivity, such as a record of applying and securing external funding in areas directly related to Movement Science (e.g., external funding agencies such as NIH, NSF).
- Disseminating research findings through publication and presentation in the scientific community.
- Teaching undergraduate and graduate courses in Human Movement Science.
- Mentoring and advising masters and doctoral students for thesis and dissertation research.
- Serving at the departmental, college and University levels, as well as in the greater professional field and community.

QUALIFICATIONS

Required Qualifications

- Ph.D. in Kinesiology/Movement Science or a closely related degree in the biological, psychological and/or engineering sciences by the date of hire.
- Teaching experience in the Movement Sciences and related fields at the university level.
- Initial record of research productivity demonstrated by publication in high-quality, peer-reviewed scientific journals.

Preferred Qualifications

- Two or more years of experience as a postdoctoral researcher.
- A record of research productivity that includes the submission and securing of external funding and a demonstrated record of high-quality, peer-reviewed publications in scientific journals.
- Demonstrated willingness and/or experience in conducting interdisciplinary and collaborative research with colleagues in related fields.
- Demonstrated experience in advising and mentoring graduate and undergraduate students.

ABOUT THE DEPARTMENT

Department Overview

The School of Kinesiology at the University of Minnesota has a rich tradition of research and scholarship, combined with excellence in teaching and service. The mission of the School is to enrich the quality of human life by expanding,

applying, and disseminating the body of knowledge germane to human movement, physical activity, and their applied systems. Complete information on the School can be found on the website, <http://www.cehd.umn.edu/kin>.

College Overview

The College of Education and Human Development (CEHD) is a world leader in discovering, creating, sharing, and applying principles and practices of multiculturalism and multidisciplinary scholarship to advance teaching and learning and to enhance the psychological, physical, and social development of children, youth, and adults across the lifespan in families, organizations, and communities. CEHD is the third largest college at the University of Minnesota, houses seven departments with ten undergraduate majors, over 30 graduate degree programs, and 25 centers and institutes. We are committed to diversity in our students, faculty and staff; 38.4% of our new first year students are students of color and more than 265 of our international students represent over 51 different countries.

HOW TO APPLY

Applications must be submitted online. To be considered for this position, please click <https://hr.myu.umn.edu/jobs/ext/332132> and follow the instructions. You will have the opportunity to complete an online application for the position and attach a cover letter and resume. Additional documents may be attached after application by accessing your "My Job Applications" page and uploading documents in the "My Cover Letters and Attachments" section.

To receive the fullest consideration, applications should be received no later than **1st November 2019**. Priority will be given to completed applications submitted by **15th October 2019**. This position will remain open until filled and the search committee will begin its review of applications immediately. Completed applications must consist of:

- A letter addressing qualifications that relate to the position
- A curriculum vitae
- 3 sample publications
- Contact information for at least three references

If you have any questions about the application process, please contact the School of Kinesiology Office Manager Gao Thao at (thaox744@umn.edu) or 612-624-6469.

If you have any questions about the position, please contact the Chair of the Search Committee Dr. Jürgen Konczak at (jkonczak@umn.edu) or 612-624-4370.

DIVERSITY

The University recognizes and values the importance of diversity and inclusion in enriching the employment experience of its employees and in supporting the academic mission. The University is committed to attracting and retaining employees with varying identities and backgrounds.

The University of Minnesota provides equal access to and opportunity in its programs, facilities, and employment without regard to race, color, creed, religion, national origin, gender, age, marital status, disability, public assistance status, veteran status, sexual orientation, gender identity, or gender expression.
